

EDUCATION

---

- **BSc** Computer science, *Aston University*

*September 2021 – June 2025*
- **A-Levels** Shireland Sixth Form  
Computer Science (B), History (C), Product Design (C)

*September 2019 – June 2021*

EXPERIENCE

---

- Production Operative**, Jaguar Land Rover

*June 2022 – September 2022*

  - Working at Jaguar, developing an understanding of producing vehicles through many processes that I was tasked at times. Whether that be fixing components under the wheels, under the hood or the rear etc. There was also an understanding of the sequential development of completing the cars from one main process to another.

EXTRA-CURRICULAR

---

- Young Professionals**

*February 2020*

  - Attended a virtual insight day to what's it like working in companies like Capgemini, IBM etc, accompanied with opportunities and flexibility in the industry.
